

## Hall Staff Diary

7<sup>th</sup> September 2018

Start new attempt

Hello,

We're working at Public Hall in Yokohama city, we work for lots of people who use our facility of hall and conference rooms where hold in various of events like orchestra and chorus, piano concerts and act meeting, dance, karaoke and so on.

So one day, we inspired to write down our working days at notebook for record, since the day, all staffs of hall have started to write hall diary.

We've already written for 6month.

Everybody will think why you write in English? Actually, we don't have any answer about it, but we send something from Seya word Yokohama to world.

We apology we wrote such a childish sentences.

We think it going to be getting better our English skill.

Thank you for reading our diary.
