Happy New Year

I haven't updated this blog for a long time, I finally decided to update today. But how many people are reading this blog? It may be useless just to think.

Writing an English blog is not particularly difficult, because there is very good translation software.

Anyway, 2020 has begun. 2020 will be in history as the year of the Tokyo Olympics. Japanese can experience world-class sporting events that can be experienced once during their lives. It will surely create a lot of drama and excitement.

We wish you a happy year !!!
